Admission and registration

Exchange students (credit transfer, non degree seeking)

- At the moment of the application and during the entire stay abroad, the students must be enrolled in an undergraduate programme or be enrolled for PHD degree at their home institution and pay the corresponding tuition fees there where applicable.
- A learning and recognition agreement is mandatory and has to be submitted to the home and host institutions before the start of the stay abroad. Modifications are possible only during the first month of the corresponding study period.
