# Undergraduate Students / 2010 / Faculties

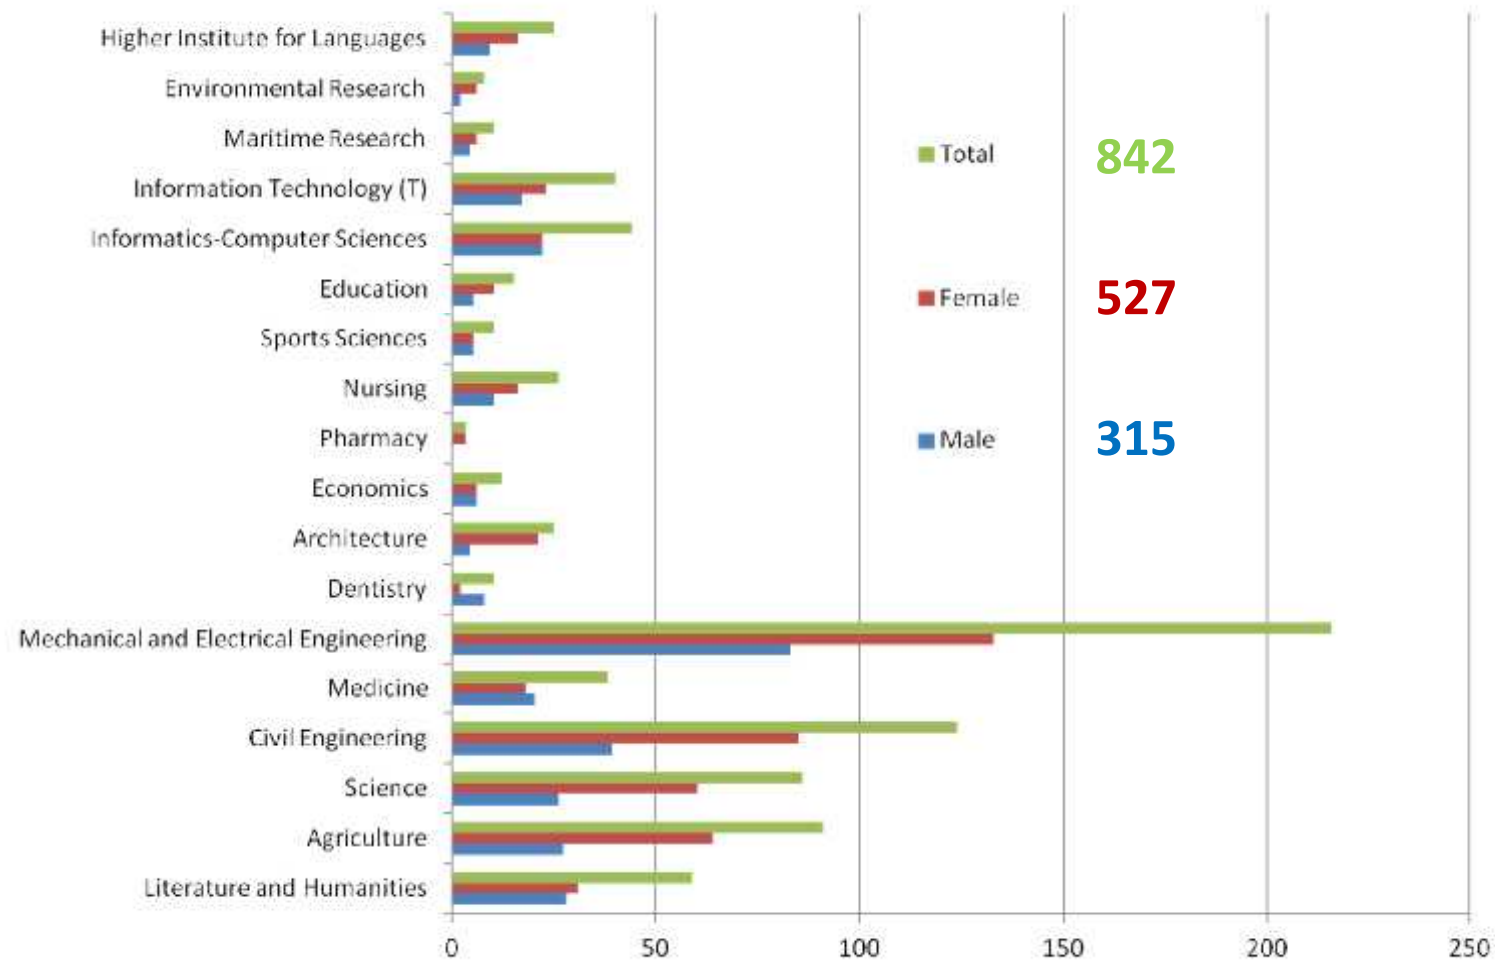

# Postgraduate Students / 2010 / Faculties

# Academic Staff / 2010

# Technical Staff / 2010

# Changes to these statistics

- Because of the crisis, Latakia and Tishreen University have been receiving new students from allover Syria.
- Number of students (undergraduates and postgraduates) have increased by about 25% BUT the number of staff has unfortunately decreased by about 5%.

# Main Themes of Interest

- Urban Planning and sustainability.
- Career guidance services.
- Materials Science (Biotechnology, Renewable Energies).
- Agricultural Sciences.
- Humanitarian aid.
- International law.

## Priorities for Mobility

1- MSc

2- Staff

3- PhD

4- Post-Doc

5-BSc

We hope we could  
invite you soon to  
see real Syria and  
mainly, Latakia 😊
