San Andrés archeological site

World Heritage Site Tazumal

El Salvador is home to Mesoamerican cultures, with Mayan and Olmec influences.

Acajutla Port

Pital hill

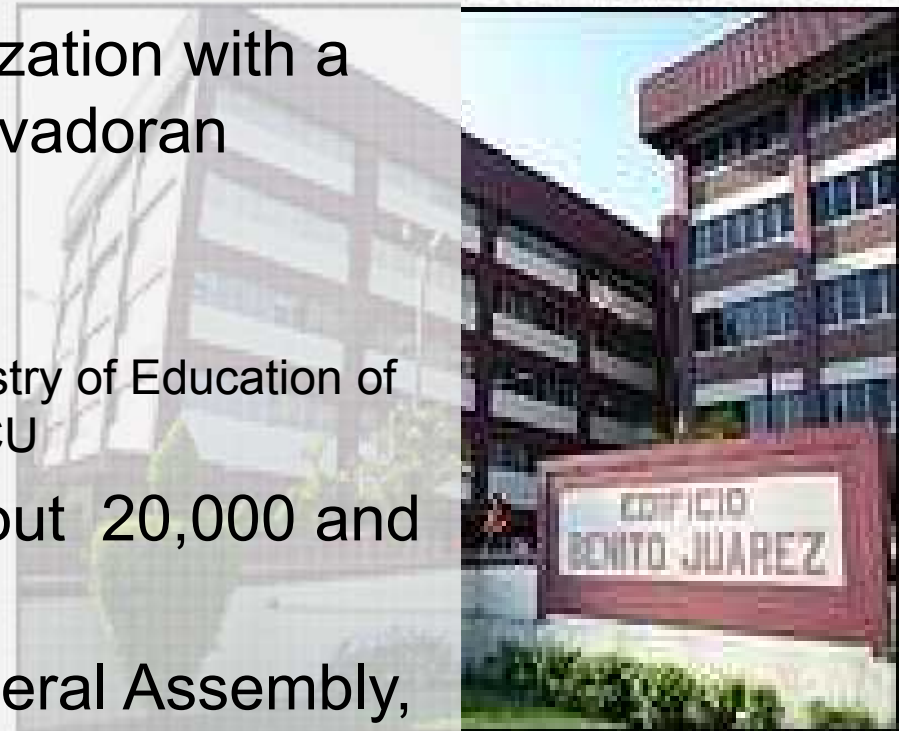

As a small country, beaches and mountains are only a few minutes away...

Universidad Tecnológica de El Salvador (UTEC)

Chancellor Eng. Nelson Zárate Sánchez

- Founded in 1981.
- A private, not-for-profit organization with a strong commitment to the Salvadoran people.
- Accredited by:
 - The Accreditation Commission, Ministry of Education of the Republic of El Salvador and RLCU
- With a student population about 20,000 and 24,000.
- Structure composed of a General Assembly, Board of Directors, Executive Committee, Research Council and other Operating committees.

Academic Offer

- UTEC has five Faculties, which includes areas of knowledge in:
 - **Social Sciences, Economics and Business, Applied Science, Law, and Master and Postgraduate studies.**
- Each Faculty is composed by its Dean, school directors, as well as a department of professors dedicated to teach and research.

Research Agenda

- The agenda orients research groups to develop projects that related to the lines linked to the different areas of knowledge.
- UTEC has around 50 research groups. Formed by coordinators, principal researchers, teachers and students. Many with international researchers that accompany them.

Areas of Research
